

Yonaco Group – Corporate Profile

Yonaco Group is a Corporate Advisory Boutique, dedicated to **Building Businesses** and **Executing Transactions** for our Israeli and Korean partners.

Founded in 2003, with offices in Seoul and Tel Aviv, Our vision is to be a trusted business advisor in initiating, structuring and leading business transactions and corporate finance deals that involve Korean entities.

We are generating business and investment opportunities, negotiating and executing transactions and building working relations for our clients in the Technology, Life Sciences, Investments, and other industries.

Yonaco improves success rates, reduces costs, mitigates risks and shortens the time of execution.

We enable our Israeli clients to leverage our presence and experience in the Korean market and benefit from our relations with leading private and government entities in a variety of Korean industries.

Our business expertise includes:

- Market penetration projects
- Investment banking
- Representation services
- Technology cooperation

Our Business partners over the years include a variety of companies from diverse industries. We have created value for numerous commercial companies as well as for governmental authorities.

Mr. Itzik Yona, CPA, Yonaco Group CEO, has a decade of experience doing business in Korea. He resided in Korea for several years and successfully led one of the biggest Israeli M&A investments in Korea. He has served as a member of the Board of Directors for both Korean and Israeli companies.

Mr. Insoo Jung, CEO of Yonaco Korea, brings over 20 years of experience in corporate planning and business development in Korean multinational companies including LG Chem, IBM Korea, Goodyear Korea, Motorola and Appeal Telecom.
